VOTE OF OUR CITY.

The Official Canvass by the Board of Supervisors of the votes cast at the State Election four weeks ago in our City was completed yesterday. The aggregates are as follows:

Dem. So'v State Barlow. . . 28,740 Sloeum . . . 53,128 21,388 troller Hillhouse . 28,953 Robinson . . 52,801 . . 23 848 Aulu -Gen Martind'le 28.906 Engineer . Goodsell ... 28,891 Sweet 52,898 .. 24,057 they take a very bad way of showing it. Can'l Com. Dorn 28,911 Armstrong 52,8-5 93,974

sordered to investigate certain trans sineges to have been committed at Boston, Mass., by agents, who, by is but 24,388. We made it 24,500 on Election official honesty and sanitary or other reform, paid for, and to deliver it at the indicated point, fraud and misrepresentation, induced and forced Ger- night. Perrin's, as we anticipated, is lowest, does that body an injustice which Time will no matter though it be Drontheim or Calcutta. man emigrants to enter our army as substitutes. The being but 23,137. The majority against him in soon expose and rebuke. Commission will probably, in a short time, move to the State must be over 35,000; though Barlow's Robert Heth, committed to the Old Capitol, is but about 28,000, and the average of the Union Ticket probably not quite 30,000.

THE VITAL DIFFERENCE.

The New-York Times says:

Inc. Soft- 1076: 113628 283/8:

It is said by some of the advocates of Reform that.

Mr. Roperts labors under the disadvantage of being the numinee of a party. So does Mr. Hecker, with the additional misfortune of having a very had party to support him. He is the nominee of Mazart Hail. He has received and accepted their numination—assuring him that if he is elected "their expectations shall not be disappointed."

tion, without the faintest reference to party say on whom-but on either Mr. Salmon or Mr. should be, but is not. The Adams Express Company, through their Saperinteadent at Cincianath offer a reward of \$1,000 for the arrest aed heiding of Radolph L. Dodge, who Reform. Each accepted that nomination, and escaped from juit at Vicksburg, Miss., on the night of thereby pledged his honor to do his utmost for

Great holds suffrage from the negro because of a doubt

of humanity and civilization is advanced, what Why is it that Free Traders can never state is to you or to me the color of the man who ject the following is full of good sense:

In the same spirit and very eloquently uttered is the following:

"Of what color do you suppose the so

tion of policy not less than of justice to the negro, Mr. Beale says:

"Against the presumptuous audacity of the South, what sufeguard have you but the colored vote? I warm you that you have a bitter struggle before you, in which such loyal allies will become most important and wel-

such loyal allies will become most important and welcome.

"In the present Congress, you will find three points
insolently insisted on, and although defeated perhaps
now, with the pertinnelty, unquestionable skill, and
perfect contempt for Northern sentiment which has
niways characterized the Southern neart, you will find
them brought up again and again until, with the aid of
Northern Democratic pro-Slavery subserviency, they
are finally passed, unless your loyal colored countrymen
are permitted to assist you by their votes. The three
points I desire to call your attention to are, the remission of Federal taxes due for the past four years, pensions for Rebel soldiers, and compensation for slaves
emancipated by the Proclamation, and perhaps payment
of the Rebel debt. You will find a most united and
unanimous solid front, animated by the knowledge that of the Rebel debt. You will find a most mitted unanimous solid front, animated by the knowledge even to propose these subjects will mortly you, sing up for these three objects and insisting on with a fierce persistency which will show you the veterate hatred of the Southerner for his Yankee

But suppose we leave the negro to be dealt with on the State Rights theory-

"Machiavelli says, when you have an enemy in

And if there are those who care nothing for the negro and believe it safe to oppress him, let them heed this warning of what shall follow to the Union:

does not right it, cannot prosper. When a natio oppresses an important minority of its productive labo-ing class, it has familiarized itself to look with favor of a despotite form of government. This is persons in ing class, it has familiarized itself to look with favor on a despotic form of covernment. This is persons in a republic. To oppress by law or to draw caste distinctions between different modes of labor is anti-democratic, and to draw distinctions between the color of laborers is anti-common sense. 'The man who fights or pays' should vote."

"Either the Republican party or the Democratic rty must rule this city. The Democratic party ought rule it, but, if not, their opponents should."

-This is exactly the talk of the blacklegs and ballot-box-stuffers who used to rule San Hartford City Election-Union Tries Francisco, returning whatever candidates and majorities paid them best, until at last they carried the system to such perfection as to elect an Alderman (by contract) who had not received a single vote. The citizens were A Togonto Newspaper Correspondent As roused to a resolve that they would not stand in form revolutionary, deposed the stuffed-in to municipal rulers, and appointed others in their stead. Since then, they have allowed neither party, as such, to govern them, but have sought out and elected good men of all Escape of Dodge, the Express Re rigidly particular with regard to their integrity
